Major General Erich Pfeffer

Hungarian NSE  
Commander  
Colonel Jozsef Nyers

Camp Marmal

Mazar-e Sharif, 23 October 2012

*Dear Colonel*

On the 23<sup>rd</sup> of October 1956 the brave Hungarian people rose against foreign oppression. Even though in 1956 it was not possible to prevail against the overwhelming power of the enemy of the Hungarian people, the spirit of freedom persisted until today.

On the occasion of the 56<sup>th</sup> anniversary of this historic day I congratulate you, our Hungarian comrades and your country on Hungary's strive for freedom and independence.

Be assured that Germany will never forget that Hungary played a key role in the German reunification - may the deep friendship between our two nations persist.

*Legjobb kívánságaimat küldöm a magyar népnek.*

*With many thanks for the outstanding contribution of the Hungarian soldiers to RC North*

Erich Pfeffer
